EC is committed to:

- Upholding the welfare of the horses, regardless of value, as a primary consideration in all activities;
- Requiring that horses be treated with kindness, respect and the compassion that they deserve, and that they never be subjected to mistreatment;
- Ensuring that owners, trainers and exhibitors or their agents use responsible care in the handling, treatment and transportation of their horses as well as horses placed in their care for any purpose;
- Providing for the continuous well-being of horses by encouraging routine inspection and consultation with health care professionals and competition officials to achieve the highest possible standards of nutrition, health, comfort and safety as a matter of standard operating procedure;
- Continuing to support scientific studies on equine health and welfare;
- Requiring owners, trainers and exhibitors to know and follow their sanctioning organization's rules, and to work within industry regulations in all equestrian competition;

The standard by which conduct or treatment will be measured is that which a person, informed and experienced in generally accepted equine training and exhibition procedures, would determine to be neither cruel, abusive, nor inhumane..

Dear Competitor;

On behalf of the Edmonton Hunter Jumper Association Board of Directors, we look forward to welcoming you to the 2021 Edmonton Classic Horse Show. The horse show has been an integral part of the Edmonton hunter jumper circuit for many years. It is rich in tradition and history and is one of the longest running horse shows in Alberta.

## **COVID-19 PROCEDURES**

Amberlea Meadows is committed to providing a safe and fun experience for all of our visitors especially in consideration of the coronavirus (Covid-19) restrictions. From everyone here at Amberlea Equestrian Centre, we thank you for your support in following protocols as the health and safety of our clients, staff and community is important.

In conjunction with local, provincial and federal recommendations and mandates, including those from Equestrian Canada (<https://www.equestrian.ca/news/EofGndCDSX4fwkMAg/resource-package-for-competition>), Amberlea Meadows has implemented the following guidelines and protocols found in this plan. We have taken into consideration the size of the property, the number of attendees, and have concentrated our efforts and protocol requirements in the areas that cause the greatest challenges for social distancing- our show office, stabling area, warm up area and hitching rings.

### **Contract Tracing:**

1. Contact Tracing forms must be filled out and emailed (sample form attached). To maintain proper distancing on the grounds, we are limiting the amount of people on the grounds to 2 per horse. Wrist bands must be worn to obtain access to the show grounds. Wrist bands will be handed out at the gate upon arrival and will be checked daily by gate personnel. Anyone not listed on the Contact Tracing Form will not be allowed on the show grounds.

### **Masks and Social Distancing:**

1. Masks: Must be worn at all times anywhere on the grounds, including the stabling area, unless mounted. The only place this is optional is at individuals' RV sites. All campers must remain with their own cohort at their respective camping spot. Any interactions with other campers must be masked. Please bring your own mask(s) with you.
2. Social Distancing: Social distancing of 6 ft will be enforced. Warm up rings will be limited to 10 people at any one time. Congregating at areas such as the hitching ring will be discouraged. Gate personnel will have physical barriers in place to limit their proximity to competitors. Courses will be posted online, eliminating the need to congregate around course posting board.

### **Symptom Free:**

1. Any person with known or suspected symptoms of Covid-19 or who have been exposed to a person with symptoms of Covid-19 (cough, shortness of breath, or fever) should arrange for testing and follow self-quarantine protocol as set out by AHS. Any person displaying symptoms will be removed from the grounds and not allowed to return unless they are able to supply a current negative Covid 19 test result.
2. Trainers/owners should have a support plan for any member that is denied participation at Amberlea Meadows due to medical concerns. That plan must include transportation arrangements to immediately remove the individual from the show grounds.
3. Once identified, we will engage with local medical health staff to perform contact tracing and enhance evaluation of confirmed contacts as per AHS guidelines, so we can quickly mitigate any concerns of spread.

**Stabling:**

1. Stabling allocations will be posted online and will be done with spacing and exits in mind so that each barn will not be stabled facing another barn, or walk down another barn's aisle if possible. Horses must have confirmed stabling prior to arrival.
2. Social distancing will be enforced in the stabling areas. Stabling areas will be strictly limited to competitors and essential personnel.
3. Masks are mandatory in all barn areas unless mounted on a horse or actively eating or drinking.
4. Please bring your own tools and tack to eliminate any unnecessary sharing of equipment (hoses, tack, forks, wheelbarrows).
5. Competitors should regularly sanitize their bikes, golf carts, vehicle door handles, stable doors, bucket handles and equipment, including tack, grooming, feeding and stall cleaning materials.

**Show Office and Entry Process:**

1. Bridle numbers will be used. Competitors are responsible for providing their own numbers.
2. Please remember, the show office is contactless, and trainers only are allowed in show office. A separate entry and exit door will be identified as well as socially distanced tables with forms and sanitized pens for individual use.
3. Competitors will be contacted prior to show if we are unable to validate memberships and lack of signature.

**Hand Washing Stations and Washrooms:**

1. Hand washing/hand sanitizer stations will be spread around the grounds and we ask you to use them frequently.
2. All washrooms and commonly touched surfaces like door handles will be sanitized hourly during hours of operation.
3. Signage with safety guidelines will be posted throughout the property as reminders for practicing social distancing and hand sanitizing.

**Warm Up and Show Rings:**

1. Any trainer entering and/or exiting a warm up ring must use hand sanitizer. Show personnel will be present at each warm up ring to dispense hand sanitizer and ensure that this policy is being enforced.
2. Warm up rings will be limited to a maximum of 10 people at any one time. All people must exercise social distancing.
3. Spectators will not be allowed. Anyone in the bleacher area must exercise social distancing rules.
4. We will have numerous staff ensuring compliance to social distancing rules are adhered to around rings, barns and grounds.

**Wash Racks:**

1. Hand sanitizer will be available at wash racks. Please sanitize your hands before and after using the wash racks. Please avoid visiting other stabling areas other than your own.

**Food Service:**

1. All concessions operated by Amberlea Meadows will not be available at this time. All food services will be provided by local food trucks that have demonstrated that they are following all local Health Guidelines and have all necessary permits to be able to operate in a safe and hygienic manner.
2. All availability of ring water will be suspended. Competitors are responsible for providing their own drinking water or purchasing from on site food trucks.

**Judges' Areas**

1. All judges' areas will be set up to comply with social distancing requirements. Barrier screens will be set up in booths where more than one official is present.
2. Booths that might encourage gatherings will be closed to competitors (ie. in gate booths).

Your partnership in the successful implementation of our Covid 19 policies is critical to Amberlea Meadows being able to host events in a safe manner for everyone. As we look forward to the 2021 season, we thank you in advance for your continued mindfulness and practice of these guidelines.
