- Requiring that horses be treated with kindness, respect and the compassion that they deserve, and that they never be subjected to mistreatment;
- Ensuring that owners, trainers and exhibitors or their agents use responsible care in the handling, treatment and transportation of their horses as well as horses placed in their care for any purpose;
- Providing for the continuous well-being of horses by encouraging routine inspection and consultation with health care professionals and competition officials to achieve the highest possible standards of nutrition, health, comfort and safety as a matter of standard operating procedure;

EC SPORT LICENSING 2024

SAFETY, INCLUSIVITY, & EXCELLENCE

Your guide to the latest updates for the competition season in Canada

IMPORTANT CHANGES have been implemented to enhance the safety and inclusivity of equestrian sport. Whether you're an athlete, parent, coach, official, or competition staff, your role is crucial in upholding these standards. Here's what you need to know:

SAFE SPORT TRAINING PREREQUISITE:

- The two free EC Safe Sport training modules must be completed before purchasing a Sport Licence. Check your training status on MyEC by clicking on the ECampus button.

DISCONTINUED TEMPORARY LICENCES:

- Temporary EC Sport Licences are now discontinued at competitions. All riders, owners, and coaches must possess an EC Sport Licence to participate in events.

AVAILABLE SHOW LEVEL UPGRADES:

- Explore higher-level competitions with temporary upgrades via your MyEC Portal. Note: National Rankings Points are not tabulated for upgraded results.

COACH STATUS REQUIREMENTS:

- All coaches at EC-sanctioned events require EC Licensed Coach Status. For upgrading from Registered to Licensed Status, coaches can apply for a Temporary Coach Status (TCS) to fulfill the requirement for each event.
- New for 2024: A TCS may be purchased conveniently online via the MyEC Portal only. Each TCS is valid for a single event.

EMPOWERING SELF-COACHED ATHLETES:

- Athletes without a designated coach can declare themselves as self-coached by providing their name and EC Sport Licence number on their entry form.

“ When registering for EC sanctioned competitions, athletes must indicate the name of their coach on the entry form or specify that they are self-coached. Coaches from other countries, must be in good-standing with their home federation and must declare/have proof of insurance. See Rules of Equestrian Canada, Section A, General Regulations, Article 102, Safe Sport Environments. ”

FEI ARTICLE 269 ACCUMULATOR COMPETITION

1. This competition takes place over 10 obstacles with an increasing difficulty. Combination obstacles are not allowed. The increasing difficulty is not solely due to the height and spread of the obstacles, but also to the difficulty of the track.
2. Bonus points are awarded as follows: 1 point for obstacle No 1 not knocked down, 2 points for No 2, 3 points for No 3, etc. with a total of 55 points. No point is awarded for an obstacle knocked down. Faults other than knock-downs are penalized as for Table A.
3. This competition will take place against the clock without a jump-off. In the event of a tie in total points, a jump-off will occur for first place following the initial round. In case of a jump-off there will be a minimum of six obstacles, which may be increased in height and/or spread. The obstacles in the jump-off must be jumped in the same order as in the first round and retain their respective points allotted in the first round.
4. For the last obstacle of the course, an alternative obstacle will be provided, of which one element will be designated the Joker. The Joker will be more difficult than the alternative obstacle and carry double points. If the Joker is knocked down, these points must be deducted from the total points obtained so far by the athlete.
